Could we please remind you that our Harvest Assembly this year is on Monday16th October and we will be collecting items of food for the Great Yarmouth Food Bank. If you have any items (tea, coffee, sugar, tins, packets of pasta or rice etc) that you would like to donate, we would be most grateful if you could bring these into school. (This event is just for the children)

Thank you.

Playground update!

The school's new playground floor has recently been tarmaced and is soon to be finished. The picture above shows the first layer of tarmac. The playground is on the field and is quite large; we are all looking forward to playing on it. Written by Hannah and Bella 6 Willow.

Once again we have to mention the subject of head lice. Could we please say that it is very important that you check your child's hair regularly for head lice to stop them spreading to other children. If you have concerns with this, we are always here to help.

Just a reminder to say that the last day of school is next Thursday 19th October; the school will be closed on Friday. The children return to school on Monday 30th October, after the half term holiday.
