To launch their new topic, Hola Mexico, Year 6 were visited by Lorraine who taught them aspects of the Mayan's lives. They looked at the instruments they used; learned about the Gods they worshipped; their beliefs and the way in which they danced. Everyone had a great time. Check the website for more pictures!

A cold but super afternoon was had by our year 5/6 netball teams at the Flegg High School Hi-5 Netball Tournament. With quick change overs and 6 matches, all teams were finished before dark!

Both teams played some outstanding netball, passing, defending and shooting. Working together and supporting those less confident. Our B team finished a creditable 7th and the A team 2nd. Well done to both teams.
