1.12.17

It's nearly Christmas lunch time again! This year it will be on the last day of term, which is Tuesday 19th December, and you will find details on the back of this newsletter. All booking slips must be returned to school next week including for children entitled for Free School Meals.

Thank you.

Our Nursery children were all excited to see our new nursery building arrive last week. Everyone was amazed how quickly it was put together!

Could we please remind parents that if your child has been sick, they must be off school for 48 hours after the last time they were sick. This is very important to stop the sickness spreading to other children.

The Girls Football Team played a cup game at Homefield Primary School on Monday. Although they lost the game, they played well and never gave up. Many thanks to all the parents who came to support.
