11.1.19

Just before Christmas, the KS2 choir went to sing for the residents of Marine Court Residential Home. They were very confident and gave a super performance; the residents really enjoyed listening and joining in with some of the songs!

Year 6 had a fantastic time taking part in their survival day on Monday. They made camps and foraged for fuel to build camp fires. Also, they took part in gutting fish and then cooking them.

We collected a wonderful amount of sugar in December for the 'Sugar for Shelters' Appeal as you can see from this picture. We would like to say a very big thank you to everyone who made a donation.

Congratulation 6 Oak!

If your child received a Fitbit or Smart watch for Christmas, we must make you aware that we are not responsible for any loss or damage while they are wearing them to school.

Once again, could we please ask you to check your child's hair regularly for head lice. We know this is an on-going problem but we are always here to help. It might be an idea if your child has long hair that it is tied up for school.

WE NEED YOU!!

**Help us to support families in your area.
Are you able to spare a couple of hours a week
volunteering for Home-Start Norfolk?**

We are looking to recruit and train parents to become part of our home visiting volunteer team. Volunteers offer one to one support to families finding it hard to cope for a wide range of reasons. This could be due to multiple birth/children under 5, sleepless nights, isolation, loneliness, children's behaviour or just struggling with the emotional and physical demands of parenting. Our volunteers offer friendly, non-judgemental and confidential support through weekly visits to a family in their own home.

To volunteer, we ask you to attend our free 8-session volunteer preparation course, (term time only).

Our next course starts on: Thursday 17th January 2019, 09:30 to 14:30 at Gorleston Library, High Street Gorleston on sea Great Yarmouth Norfolk NR31 6QU. This course will run on consecutive Thursdays up to and including Thursday 14th March.

If you are interested, or to find out about future training, we would love to hear from you.
