12.1.18

Dear Parents/Carers,
Welcome back, I hope you all had a lovely Christmas. I am absolutely delighted with our new nursery provision – it offers purpose built accommodation that is safe, warm, spacious and filled with wonderful new resources. We have several new children who have all settled really well. At present, we are only using one of the two large rooms – the other will be used for two year olds from September this year. The outside resources will follow shortly and once again we have sourced high quality items to ensure learning and enjoyment for our youngest children. If you have a child – or know someone with a child – of nursery age then feel free to come and see what we can offer. There will always be someone happy to meet you and show you round! For children who

are eligible for a 2 or 3 year old place in September, you can register them now at the office.

Thank you to all the parent helpers who have volunteered to work in our Reception class. It is great to have so many of you – the children will really benefit from this and we are grateful for the time you are giving. If there are any other parents who would like to help in class or with reading, please let your child's teacher know. We would love to have more parents/adults in school - especially in year 1 and 2.

As from Tuesday, you should be able to use the main entrance gates for access to school in the mornings and afternoons. The workmen are due to finish on Monday 15th January so fingers crossed!

Happy New Year to you all and we look forward to working with you over the coming term.

Debbie Whiting
Head Teacher

Year 2 had a visit to the Time and Tide Museum on Monday to discover what life, work and tourism was like in Great Yarmouth in the Victorian times. As you can see from the photographs, they had a great time!
