We have been able to book a workshop for parents all about money matters which will be led by staff from the Halifax. This will take place on Thursday 1<sup>st</sup> December at 9.30 in the dinner hall. It is hoped that some of the subjects covered will include; understanding APR, savings schemes, how to run your budget, what effects credit scores and safe borrowing. It is hoped that we will be offering tea and toast to start the morning from 9.00am but would like some idea of numbers. Just leave your name with the office if you would like to come along.

Could we please remind everyone that the cost of a school meal is £2.20 per day and this should be paid on a Monday for the whole week. If your child would like a jacket potato or a snack pack these also have to be ordered on a Monday.

Last Friday, Year 6 Celebrated the end of their Topic ID, by doing a fashion show with the t-shirts they had spent weeks designing to show off their identity. Well done -Year 6 they looked great!

Well done 3 Pine!

Jessica and Joshua had a “Cool Ride to School” on Wednesday morning from The Beach radio station. They both had a great time!

Year 1 arrived at school on Wednesday to find their classrooms had been turned into a crime scene! The evil peas had captured the carrots!! With the help of their Supertatoes the children were able to save the day!

On Wednesday, Year 6 went to the Crucial Crew workshop at the Holiday Park. They took part in a range of public safety workshops and even got a look in the Coastguards truck. A great morning was had by all.

The week after half term, we sent out Data Collection sheets to all parents to up date. Thank you to all the parents who have sent these back, but could we please ask the parents who have not done so, if we could the these as soon as possible. These are important, as we need to have the correct information for emergencies and school closures.

Please see the letter on the back of this Newsletter with dates for the Christmas concerts in December.
