2.11.18

As part of their new topic 'Superheroes', Year 1 met the Great Yarmouth fire rescue team on Wednesday. They learned about what equipment they use and how to prevent fires. They even got to hear the sirens on the engine and test out the hose!

On Tuesday 9th October, Y3 enjoyed a Family Cafe, based around the story 'Silly Billy'. Thank you to all those who attended - a great time was had by all and we are looking forward to the next one!
