2.2.18

It was a cold, but fun day out with 14 boys and girls from years 3 to 6 at Fritton Lake for the Schools' Cross Country. The course seemed longer and tougher this year, but the team did us proud. We had 2 children who finished in the top 10, who will now go on to represent the East Norfolk Schools Sports Partnership at Holkham Hall on February 28th. The team embraced all the runners as they returned from their races giving positive feedback to all. The year 6's took their role as school leaders and looked after the rest of the team. Well done to them and to all the team for outstanding behaviour and sportsmanship.

Last Thursday Year 6 had their survival day as a part of their wow moment for the topic Frozen Kingdom. They had to work together to ensure their survival, to do this they had to take part in the following tasks: shelter building, fire lighting and cooking over an open fire! The children were praised for their great team work and excellent behaviour. You were a credit to the school Year 6-well done!

Well done to the six year 2 children who took part in our GY7 Cluster Dodgeball competition we came 4th. The children behaved brilliantly and were a credit to the school.

School Meals

School dinner money is due in on a Monday for the week ahead. Please put the correct amount of money in an envelope with your child's name/class and days required on it. Any overpayment will be carried forward.

School Uniform

'As part of our school uniform policy we do want children to wear sensible hair styles. Therefore, we do ask that girls are sensible about their choice of head wear and stick to small bows and head bands that are school colours (burgundy, grey, black and white). Please, no animal ears or large, brightly coloured bows.

Can we please remind everyone once again, that the children need their PE kits in school for their PE lessons. It is a good idea if they bring them in on Mondays and then leave them at school for the week, taking them home on a Friday, so they always have them in school when needed.

Could you also make sure that they have suitable warm clothes for when doing PE outside and always have a water bottle with them.

Gooseberry Student 'Tip' of the Week:

Avoid drama online by keeping negative and unkind comments to yourself. If your post or comment about someone or something is likely to create trouble or upset, think before you post it for all to see. Be kind online.
