We had a fantastic day out at the NSG Quadkids Athletics at the Wellesley with 33 children from years 3,4,5 & 6. The children competed in 4 events including a75mtr sprint, distance race, vortex throw and standing jump. There were some outstanding performances throughout the day. Well done to you all in your sporting disciplines, the way you conducted yourselves and to the years 5&6's for looking after our younger pupils.
A huge thank you to parent helpers Miss Robinson and Miss Carter.

As reward for their hard-work and attending SATs booster sessions in preparation for the Tests last month, Year 6 enjoyed a well-deserved afternoon of fun at Jump Warehouse. They all had an amazing time and-as always-were impeccably behaved. Well done year 6 - you deserved it!

This week Year 6 have celebrated their wow moment for their current topic Bloodheart. The children dissected a pig heart, which is very similar to that of a human heart! They all had a fantastic time learning a lot about the heart.
