A FIRST for North Denes Primary! A team of Year 5 and 6 children recently competed in an Indoor Athletics Competition at Lynn Grove Academy. The children competed against other schools from the cluster in a variety of field and track events. They gave 100% working together, supporting and cheering for each other, helping them achieve FIRST PLACE. Well done to the team and to the parents for all their support. We are now in the finals which take place Thursday 23<sup>rd</sup> February.

After competing in the East Norfolk School Games Cross Country competi-

tion, which saw schools from around the Great Yarmouth area competing to get through to represent East Norfolk in the Norfolk School Games Cross Country Finals at Gresham's School, three Year 6 girls and one Year 3 girl from North Denes made it

through to represent their Partnership. There were 80 children in each year group of girls and 80 in each year group of boys, meaning that our girls were in the top 80 in their year group across the county. The best placed girl was Maizie in Year 3 coming in 27<sup>th</sup>. The girls had to cope with a cold,

windy and snowy North Norfolk; this did not deter them as they entertained children and adults with their singing! Many thanks again to the parents for all their support.

We now have some new Gym Apparatus in the hall. As you can see from the above photograph, all the children are having great fun using it!

A team of Year 3 pupils, took part in a Dodgeball competition at Great Yarmouth Primary Academy before half term. They came in third place. Well done!
