On Friday 20<sup>th</sup> April, Year 5 went to the Time and Tide Museum to learn how our local hero, Lord Nelson, trained his Navy to use a cutlass and fire cannons. We tried food which would have been eaten on board – salted meat, pickled onions, raisins and more! We also looked around the Nelson Museum and found out what a ship's surgeon would have had to do. We finished off the day by visiting the Nelson Monument.

On Monday, 6 Willow went to Charter Academy to take part in different activities to help the Year 11 students with their Btec Sport exam. The activities which the children participated in were: seated throw, speed bounce, shuttle runs, standing long jump and shuttlecock throws. All the children had a great time and can't wait to go back!

Could we please ask all parents not to park their cars in the entrance to the staff car park, as this obstructs school staff coming into and leaving the school premises. Thank you.
