27.9.19

Year 6 would like to say a big thank you to parents and carers *who came to our first cafe* last Friday to hear the story 'The Huge Bag of Worries'. We hope you all enjoyed making your own worry-dolls.

The children had a fantastic time at the Panathalon Games Ten Pin Bowling event. Team A gained 1st place and team B played very well. The children were more excited about receiving their medals than their placings. They represented the school excellently with both their behaviour and politeness.

If you would like more information about the new school for children and young people with special educational needs there is going to be a meeting on Tuesday 1st October between 2-7pm (drop in at any time) at the former Alderman Swindell Primary School site.

It will be a specialist school in Great Yarmouth for local children and young people with social emotional and mental health (SEMH) needs so they don't have to travel so far to get the education they need and deserve.

It will be run by a specialist academy trust and part of a 120million programme to transform special needs education in Norfolk.

The historic school front is to be kept and there will be on-site parking and waiting area for taxis and mini cabs.
