We are collecting again this year for the Sugar Appeal which goes to the homeless. So if you have a spare bag of sugar, could you please bring it into school by Friday 6th December. Thank you

Year 4 had a visit from the dental nurse and enjoyed learning how to brush their teeth effectively. They also found out which foods are harmful to teeth and which foods make healthy snacks.

On Thursday 21st November we had a visit from the Norfolk Wildlife Trust. After an assembly showing the pupils great ways of encouraging wildlife into our gardens, Years 3 and 5 had an outdoor workshop. Despite the cold, they enjoyed finding out about the wildlife of Norfolk and how to use natural materials to make mini pictures.

Children's Christmas Parties

From the week beginning 9th December there will be a party for each year group, we are asking for a £1 donation towards this. There will be more information on next week's newsletter.

If your child is R-Year 6 and you want them to have the flu immunisation and you have not filled in the consent form on-line, you have one week before they come to school on 17th December to do this before the portal is closed.

Stars of the Week

The following children were selected by their teachers this week:
