A team of Year 5 and 6 pupils comprising of 9 girls and 9 boys competed in the final against other schools from the Cluster at the Norfolk School Games Indoor Athletics Competition at Lynn Grove on Wednesday, to see which school would go on to represent East Norfolk at the School Games. North Denes finished in a very creditable 3rd place with all children giving 100% which saw some very close finishes in both track and field events. Well done to the team for showing good sportsmanship and behaviour throughout the competition. A very big thank you to all parents/carers for your support we hope you all did not end up with sore throats from cheering the team on!
