3 Pine had a great day down on the farm on Tuesday. We were shown around Somerleyton estate farm, where we got up close and personal with some of the farm animals and crops.
After a warming lunch, of fresh cooked chips made from farm grown potatoes (yum!), we had a nature walk around Fritton lake.

Last Friday, Year 6 took part in a Mayan workshop. They learnt about the different reasons for dance and even got to wear face paint and Mexican sombreros! All the children had a great time.

Stars of the Week

The following children were selected by their teachers this week:
