30.6.17

Even with the threat of a thunder storm hanging over us, Sports Day 2017 passed without a hitch. The children all participated in at least one event— including long jump, vortex throw, circle relays, distance and fun races. It was lovely to see a good number of parents supporting the athletes with many of the parents staying to enjoy a picnic lunch with their children. We would like to thank all those that volunteered— including Year 9's from Great Yarmouth High School and Year 10's from Flegg High School.

A Sex Education Curriculum begins on Monday 3rd July for Year 5 as per the letter sent out 2 weeks ago. Please advise if you wish to withdraw your child or you require any more information.

Congratulations to Apples!

Our new Nursery, which will be starting in September, is now offering 30 hours and flexible sessions. Please contact the school office for more information.

On Wednesday, Year 6 took part in dissecting a pig's heart. This was linked to their current topic— Blood Heart. Whilst dissecting the heart, the children were able to locate the ventricles, atriums, the heart strings, valves, veins and arteries.

Last Friday, six children from KS2 travelled to the UEA to enter a computing competition. The group had a great day out and impressed the judges with their team work, perseverance and coding skills.

If you are away for any reason, for example on holiday and your child is staying with someone else could you please ensure that the school office is notified of any telephone numbers where someone can be contacted in case of emergency. Thank you.

Gooseberry Student 'Tip' of the Week: Using your device to play games and connect with friends outside? Sharing your location when you are out and about allows people to contact you. If you must have your location on, **turn your location off when you have finished to keep your whereabouts private.**
