4.5.18

A huge congratulations to the YR2 Hockey team who won the GY7 Cluster Hockey Tournament; they played 6 matches and won every one. The children were fantastic in their sportsmanship and behaviour. Thank you to Mrs Gleeson for helping the children practice at lunch time and for supporting them at the game, also to Mrs Sales for her support at the tournament.

The Bees

Children from YR5 took part in the GY7 Cluster Hockey Tournament last Friday (April 27th). We took two teams, called the Bees and the Wasps. There were four other schools that took part in the event.

We came FIRST!! AND SECOND!! The Bees took first place with the Wasps a close second.

A fantastic performance by all the children that took part, great sportsmanship and excellent behaviour. A big thank you to Mrs Gleeson and Mrs Sales for their support.

The Wasps

A Huge WELL DONE to North Denes Year 3 and 4 A and B Netball Teams. Our B team (some who have never played in a team before) played some lovely netball and as the games progressed they became more confident and the nerves started to disappear. The A team came 2nd losing out to first place by 2 points. Their passing has improved and this was noticeable in the matches. There was good encouragement from each member of the team when playing and from those supporting from the line. Both teams showed respect and sportsmanship. Thank you to the sports Leaders from Flegg High for umpiring, Mrs Cropely for holding these events and the parents for your continued support.
