

North Denes 80th

The school was opened on 19th October 1938 and so we would like to celebrate the 80th year. Due to half term and school photos being taken on the 17th, we will do this on Tuesday 16th October.

We are planning on a non-uniform day with a 1930's theme and fun activities throughout the day. Please see below for some outfit ideas.
