Following on from their visit to the James Paget Hospital last November to make two short films, the Gold Tie pupils returned last week to give a report at the board meeting. All six spoke in what was a very daunting situation and Mrs Johnson said they all did very well!

We have had many books borrowed from our school library which have not been returned. Could we please ask all parents to make sure that their child/children have not got any at home. It is important that these are returned so other children can enjoy reading them.
