

North Denes Primary School Friday Newsletter

www.northdenesprimary.co.uk

6.10.17

Could we please remind you that our Harvest Assembly this year is on Monday 16th October and we will be collecting items of food for the Great Yarmouth Food Bank. If you have any items (tea, coffee, sugar, tins, packets of pasta or rice etc) that you would like to donate, we would be most grateful if you could bring these into school.

Thank you.

Aylmerton Trip

There will be a meeting on **Thursday 12th October at 3.30pm** in 6 Oak's class room for all parents who have children going on the Aylmerton Residential trip in November.

The children brought home a letter this week about the Parents' evenings, could we please ask if you could return these as soon as possible so you are able to book the day and time you require.

Once again, could we please ask you to check your child's hair regularly for head lice. We know this is an on going problem but we are always here to help.

We would like to say a very big thank you to everyone who brought a cake last Friday from the Year 5 cake sale. They raised £193.15 to towards their Harry Potter trip.

Just to inform everyone that we will not be able to accept the old £1 coins after the 15th October 2017 as this is when they will no longer be legal tender.

Attendance News!

These are the attendance figures for each class this Week.

Saplings—	100.0%

Well done to you all!

Gooseberry Parent 'Thoughts' of the week:

If you use email or an electronic messaging service to keep in contact with your child's school please use them with care and consideration. Most teachers work well beyond the end of the school day, so please think about the time chosen to make contact, consider how important the message is and whether there might be a better way to communicate. **Choosing the most effective way to communicate with your child's school can often help reduce problems and resolve issues quickly.** Finding out the school policy on making contact using technology may help to decide on the best method and provide information on what to expect.
