Football News

Under 11's and the Girls' football teams went to The Nest in Norwich just before half term to take part in the All Stars Premier League Football Tournament. The boys came joint second in their league and the girls got to the quarter finals. Both teams played fantastically with really good team spirit. Congratulations to Alesha who got scouted and has a 4 week trail with Norwich City's PDC.

Under 11's had a football league match last Thursday 27th February against Caister Junior school. Goals were scored by Jack, who scored two, Kye scored 2 and Lewi scored one. Excellent team work.

Well done Boys!

Hockey News

On Friday 28th February, YRS 5/6 had the GY6 cluster hockey tournament. We had two teams—one was called The Wasps and the other The Bees. Both teams played five matches each. The Wasps were the winners of the tournament and The Bees came 3rd. Fantastic result from both teams who supported each other with wonderful team spirit.

Thank you to the children who played for one of the schools who didn't have enough players. They did them **proud**.

On 24th February, Year 5 went to GYPA for the dodgeball competition and won the event.

They won all their games. They were a credit to the school with excellent behaviour and sportsmanship. Year 3, on Monday 10th February, went to GYPA for their Dodgeball Competition and were the winners, winning all their games. Once again behaviour and sportsmanship were excellent.

The sun was shining and everyone was feeling rather warm for the NSG Cross Country Finals at Holkham Hall. Ten of our children represented the East Norfolk Schools Sport Partnership and they did not let themselves, as they

were competing against the top 80 children for their year group in the whole of Norfolk. We had some fantastic placings 4th place being our best. A lovely day was had by all with some wonderful children who represented the school with superb behaviour, it was lovely to see them mixing with other schools and having fun.
