Christmas Parties

All the children will be having their Christmas parties next week—see dates below. Could we please ask for a £1 donation towards the food, except for the Reception classes who are doing something slightly different. The children can bring party clothes to change into on the afternoon of their party.

- 12th December: Year 3.
- 13th December: Year 4.
- 14th December: Year 5, Year 1 & Reception.
- 15th December: Year 6.

Jack Bristo was brought to school by The Beach radio stations' cool ride to school on Wednesday. He kept everyone in suspense on the playground by waiting in the car

as he wanted to hear himself on the radio...

There will be no After School Club on the last day of term, Friday 16th December.

Football Teams

The Year 5 and 6 boys took part in an under 11 Football Tournament at Martham on Saturday 26th November, where they lost 2 and drew 3 matches. Great team work by all the boys. Player of the match went to our goalkeeper—Henry Hoyle.

The girls had a tournament at Woodlands Primary School on Saturday 3rd December, where they lost 2 and drew 2. It was a very good tournament, and the girls played brilliantly. Player of the match went to Molly Self.

A big thank you to all the children and their parents for giving up their Saturdays.

Great Yarmouth Skate Jam, Let's Get a Skate Park!
'The Playground', Great Yarmouth's New Indoor Skate Park Event.

WHEN: Sunday 11th December 2016, 12pm - 6pm
WHERE: St. Georges Theatre Cafe

Join us for a free afternoon of skateboarding, music, and local artwork. All ages and abilities welcome.

We will be holding an awesome Game of Skate outside, so make sure you get down in good time to have some fun and be in with a chance of winning some prizes. There will be Djs and art made by local artists, so come chill and socialize.

WHO ARE WE: We are a team of skateboarders and BMXers from Norfolk keen to make 'The Playground' - Great Yarmouth's new Indoor Skatepark. This is all in the push to get a new skater-run, skater-designed Skatepark and creative space in Great Yarmouth.

We're currently in Phase 1, conducting research and longer term planning. We've just put in a Bid to really get the project up and running. We just need a bit of help from you guys. On the day, we will be providing surveys in order to gather info to get further funding, so all we ask is for you to complete one for us. It's going to be a challenge, but with your help, we can do this!

We will be updating our Facebook page regularly so keep your eyes peeled for more info...
