

North Denes Primary School Friday Newsletter

9.2.18

www.northdenesprimary.co.uk

North Denes Primary School's Years 3 & 4 had a lovely time at the Flegg High School's Hi-5 Netball tournament. The team were so excited to play in their first ever tournament and played some fantastic netball. Well done to you all for shaking hands at the end of the matches, showing good sportsmanship and manners. A huge thank you to Alison Cropley and her fantastic team of PE leaders from Flegg High School, without them these sporting events would not happen. Also a big thank you to the parents for transporting their children and for your their support.

We hope you all have a very good half term holiday and we will see you back at school on Monday 19th February.

Once again, could we please ask you to check your child's hair regularly for head lice. We know this is an on going problem but we are always here to help.

On Monday afternoon, a small choir went to Norwich to perform at the OPEN centre as part of a Norfolk Music hub collaboration with the South Asian Fusion Project. They performed South Asian music and sang with a professional singer in another language! They were brilliantly behaved and enjoyed rehearsing with a professional orchestra. In the evening, the children performed to the public, including some of their parents. It was a late night for them all, but they handled it with great maturity! Well done!

Sports for Schools

We will be collecting the sports for schools tokens, which can be found in the Great Yarmouth Mercury, the Eastern Daily Press and the Evening News.

How you can help:

1. Look out for Sports Equipment for Schools tokens which will be printed every day or weekly in the newspapers from February 5th to April 14th 2018.
2. Get your friends and family to collect the tokens too!
3. Simply bring the tokens into school and pop them in the collection box.

Start collecting today and Thank you!

Can we please remind everyone if you shop in Tesco to ask for a blue disc to put in North Denes Primary School's collection box. This will go towards growing beds for our younger children. The collection box will be in store until the end of February.

Thank you.
