As you are already aware, with the letters that have been sent out this week, the London trip is still going ahead next week. Could we please remind everyone that the children will need two packed meals—the children on Free School Meals will be supplied with one of these. There will be no need to bring any spending money. Mobile phones can be brought along but there will be an emergency phone number (number to follow next week) that you can call if you have any concerns on the day. We will keep you updated at regular points throughout the day via the school texting service.

Before half term, 2 local artists came into school to deliver drawing assemblies for KS2. 4 Rowan enjoyed a drawing workshop where they practised their observational drawing skills.

Could we please remind you to make sure that your child brings their PE kit into school on Mondays for the week ahead.

Horse riding lessons started on Wednesday night. The children got to meet their ponies and had a great time. In this lesson, they learnt how to hold the reins and even had a little trot. Well done guys!

Gooseberry Student 'Tip' of the Week:

You may have seen some upsetting details, photos and comments online about the events in London and Manchester. **Always talk to a trusted adult if you have questions about anything you see online. Always think about what you are posting online and how it might make people feel.**
