Dear Parents/Carers,

Welcome back to the new school year. We now have reception and year one – this time next year we will be a full primary school and also hope to have nursery provision. It was lovely to see all the children on Monday – all so smartly presented in their new uniforms. Please help us to maintain this, by ensuring children continue to come correctly dressed and wearing black shoes – NOT trainers. It would also be helpful if children's clothing was named – we had a huge amount of lost property last year that could have easily been returned had names been written on labels. The children have all settled in really well- those who were with us last year have caught up with friends and everyone has had a good first week.

As you may have noticed, we have had some internal building work carried out in the school over the summer. This is on-going until sometime in October. The classroom areas are complete and the installation of new toilets for KS 1 is underway.

Information on clubs, both during the school day and afterwards, will be sent home by the end of next week. If you have any queries, please don't hesitate to see your child's teacher at the start or end of the day.

Mrs Johnson and Miss Beales are always at the school gate in the mornings should you have any issues or concerns that you wish to raise. If they can't help you themselves, they can always direct you to someone who can. We are always happy to help. We want to work with you so that your children are happy and learn well in school.

We look forward to working with you over the coming year.

Mrs D Whiting

PE Lessons

The following list shows what day and when each class will have their PE lessons:

Afternoon

- Monday - 3 Elm & 3 Pine
- Tuesday - 5 Cherry & 5 Maple
