On Tuesday, 4 Beech and 4 Rowan went to the Sea Life Centre. When we got there, a man called Paul took us on a tour around the centre. We saw some turtles, sharks and penguins. We had a great time!

We still have places in our After School Club, which runs from 3.20pm to 5.30pm every day. The cost is £4 per session which needs to be paid at the school office on a Monday in a named envelope marked with which days are required. Thank you.

On Tuesday, Year 1 went to Thrigby Hall Wildlife Park! We were lucky with the weather and enjoyed a sunny day out with a picnic lunch on the green. We had a fantastic time seeing all of the different animals - including watching the tigers' snack time. We saw some macaques, parrots and even got to see the crocodiles get fed! Our favourite animals were the tigers and cheetahs!

Last Friday, Year 5 had a visit from Ed and Mini Monsters as an introduction to our Beast Creator topic. During the morning, we met Winston the Bearded Dragon, Gary the Giant African Land Snail, Mildred the millipede and lots of other exciting mini-beasts. We learnt all about their diets, habitats and behaviour and even got to hold them!

## Gooseberry Student 'Tips' for the new term

The new term may bring new students to your class and new opportunities to make friends. Before deciding to add your classmates as online friends, **take time to get to know them in real life first**. It is important to **know and trust who you are friends with online**. Being careful about who you have as friends online can help reduce the risk of problems later.

**Once again it's WILD ABOUT NORFOLK time!**

Wild About Norfolk wants to bring nature to you. We are an annual wildlife and environmental fair which has been running for 7 years. The Event brings together local groups and national organisations who protect, enhance and restore Norfolk's wildlife and landscape. The event is held at Easton and Otley College on our Easton Campus, Norwich on Saturday the 7<sup>th</sup> of October 2017 from 10am - 4pm

We would appreciate it if you could display the enclosed leaflets in your reception areas and encourage your pupils and their families to attend this **FREE Event**. There are lots of new and exciting exhibits this year so don't miss out. We look forward to seeing you all soon.

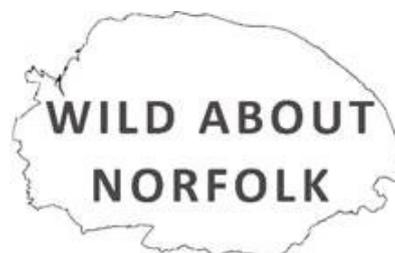

Kind regards

Alyson Booth
