

## Christmas

- What is Christmas?
- How can we celebrate Christmas?
- Who is Christmas about?

## Bonfire Night (5<sup>th</sup> November)

- What can we hear, see and smell?
- What happens when materials burn? Can we 'unburn' things?

## Remembrance Day (11<sup>th</sup> November)

- Who does a job that helps other people?

## Autumn/Winter changes

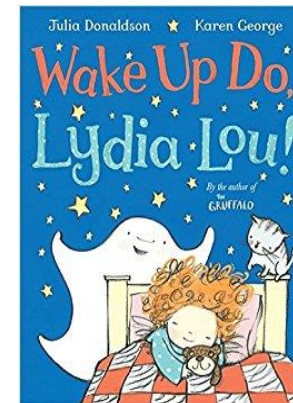

- Why do I now have to put my coat on to go outside?
- What happens when the leaves fall off the trees?
- Why is it dark before bedtime?

# Autumn 2 2017 (30<sup>th</sup> October- 19<sup>th</sup> December)

In Nursery our learning is guided by the interests of the children. Seasonal changes, events and celebrations often evoke much interest and potential lines of enquiry are mapped out here. We are however receptive to the children and know that the children could take our learning in a different direction.

## St. Andrew's Day (30<sup>th</sup> November)

- Where is Scotland?
- How and why do they celebrate St. Andrew's Day?

## Halloween (31<sup>st</sup> October)

- What can we do with pumpkins?
- What things are scary?
