Apples Class

Dear Parents,

Literacy We are learning to read sentences fluently and to recognise digraphs in a word - two letters than make one sound eg. or in torn. Please listen to your child read at home and ask them questions about what they have read. We are learning how to add detail to our sentence. We will be more independent in our writing. Please encourage them to complete their spelling homework.

Understanding the World
We are looking at how things change over the seasons and how animals change as they grow up.
We are learning to use technology to take photographs.

Mathematics

In maths we are learning to double and half and to use this to solve problems.

We will be looking at patterns that have three colours. We will also be learning to count in twos e.g. 0.2,4,6,8,10, 10.8.6.4.2.0

PE We are learning to follow rules and understand space by playing tag rugby.

Effective learning skills

To focus on an activity and to pay attention to detail. E.g. to add more detail to sentences or pictures.

PATHS this means **Providing Alternative Thinking Strategies**. We are learning to explain how we feel and why and how to use our words to talk through difficult situations.
