

North Denes Primary School

Head Teacher: Mrs D Whiting BEd (Hons)

Monday 16th December 2019

Dear Parents/Carers,

As part of next term's Frozen Planet topic, we have booked a visit from Back to Basics Bush Craft Outdoor Activity Centre to run a day's programme of activities, on Monday 20th January 2020. These activities will give the children a chance to experience survival situations, which is part of our topic for the first half of the Spring term. The activities will include:

- Fire lighting
- Camp cooking
- Shelter building
- Orienteering

As part of the camp cooking, children will be able to **choose** whether they wish to eat the food that they have prepared and cooked. Please advise us of any food allergies that may affect your child. As the activities are outdoor and the children will be outside for the day, children will need to wear plenty of layers of clothing (non-school uniform). Suitable clothes include:

- Trainers
- Water-proof jacket
- Track suit trousers (no jeans)
- Warm hat
- Gloves

If you have any questions, please contact your child's class teacher.

To cover the cost of this activity, we are asking for a donation of £5 per child, to be handed in before Monday 13th January 2020.

Yours faithfully,

Miss Burrage and Mrs Gadsdon

I give permission for my child _____ to take part in the survival day activity.

My child has the following allergies _____

I enclose £5

Signed _____ Date: _____
