Can you think of your own actions to add to them?</p>

Can you create your own pattern?</p>	<p><u>Number</u> Subtraction: you have done lots of work physically with subtraction, can you complete subtraction sums (make up as many as you like!) and say the number sentence? Extra challenge: can you write the number sentence?</p>	<p><u>Shapes</u> Create 2D shapes using various materials - you could go outside and find stones, leaves, petals etc and use them to create shapes. (See Tapestry for Miss Henning's take on this!)</p>
<p><u>Writing</u> Linking to your topic, can you write "2 stars and a wish" about moving to Year 1? Two things that you are excited one and 1 thing you would like to know more about.</p>	<p><u>Topic</u> Moving to Year 1 - start to have some conversations about the exciting move to Year 1 when you come back to school. What sort of feelings do you have about the move?</p>	<p><u>PE</u> What keeps you healthy? Can you find out and make a list of 5 different ways you keep yourself healthy.</p>
