

Year 4's

HOMEWORK TAKEAWAY

Year 4 Home Learning 13th – 17th July

Just So...

Think back to the *Just So Stories* from the Week 12 homework menu. Can you make up your own *Just So Story* like Rudyard Kipling?

Perhaps you could explain how the giraffe got her long neck, how the turtle got his shell, or even how the flamingo turned pink!

Moving to Year 5

Write a letter to your new teachers, telling them all about yourself. Include your likes/dislikes, information about your family, pets, friends, and which subjects you enjoy most. What are you most looking forward to in Year 5? Do you have any questions to ask them?
If you like, you can bring your letter to your transition session next week.

Stay Sun Safe!

Find out how to stay safe in the sun. Make a poster of top tips – you could put it up in your window to help others remember how to stay safe, too!

Check online or watch this video if you're not sure of the sun safety rules:

<https://www.youtube.com/watch?v=7UWvqNcqX6E>

Stay at Home Sports Day

Try some of the fun activities from this page to create your very own Lockdown Sports Day:

<https://www.elfridaprimary.org.uk/lockdown-sports-day/>

Challenge your family! You could design certificates for the winners of each event!

Try to complete as many tasks from the menu as possible during the week.

Design a Euro 2020 trophy!

This year's football European championships have been postponed until 2021 due to Covid-19, but can you design a trophy for the eventual winners of the tournament?

You could also try designing a ball or a new kit for England's team (or another team) to wear!

Summer Senses Wordsearch

Make a list of things you can see, hear, smell, taste and feel during the Summer! Draw a squared grid and hide the words for someone else to find, or use this website to create an online wordsearch:

https://www.abcya.com/games/make_a_word_search
