- **Children/family will be collected from the gate at allocated time and walked to the field (weather permitting), socially distanced, to the allocated area. Next year's Reception parents will be able to bring children to the Year 1 playground, where staff will take them into Reception.**
- **Allocated areas will be marked out (similar to sports day pens) on the field and another “waiting area” will be available on the small playground near Year 1 for those parents/carers that may wish to wait for the children.**
- **Departure time needs to be prompt in order that the playground is clear ready for the next groups arrival.**
