

## Geography Skills Concept Map

	Place	Space	Scale	Cultural awareness	Environmental	Environmental impact	Interactions
<b>Nursery</b>	I live in Great Yarmouth, in England.	Begin to explore maps with play.	Know that other places exist in the world, and begin to make comments about these.	Showing curiosity about objects, events and people (ELG).	Make observations about their local environment. Talk about their families and home environment.		Using senses to explore the world around them (ELG).
<b>Reception</b>	What is it like in our local area?  Local maps.	Local maps.	Local maps.  Making observations about other countries.	Vaisakhi Showing curiosity about objects, events and people (ELG).	Signs of Autumn. Signs of Winter. Signs of Summer. Signs of Spring. Exploring the natural world. Contrasting environments.	Ask questions about the environment and how it changes.  Clean Up – picture book	Using senses to explore the world around them (ELG).
<b>Year 1</b>	Where do we go to school and what is it like there? <b>What is it like in our local area?</b> What is special about our local area? Can I map my local area? What is the seaside and where is it? <b>What is the United Kingdom?</b> What is it like to live in Scotland? What is special about Wales?	<b>What is the seaside and where is it?</b> What does our coast look like?	<b>What is it like in our local area?</b> What is the United Kingdom?	<b>Where do people live and work in our local area?</b> Why do tourists visit Northern Ireland? What is the Union Jack and what does it represent? What is England famous for?	<b>What are coastlines like in the United Kingdom?</b> What are physical features of the coast? Do all coasts look the same?	<b>What are human features of the seaside?</b>	Why do tourists visit Northern Ireland?

## Geography Skills Concept Map

<p><b>Year 2</b></p>	<p><b>What are the seven continents that make up planet Earth?</b></p> <p>What are the five oceans that make up planet Earth?</p> <p>What is the continent of Europe like?</p> <p>What are the continents of Asia and Africa like?</p> <p>What are the continents of Oceania and Antarctica like?</p> <p>Where in the world is Kenya?</p>	<p>What are the seven continents that make up planet Earth?</p> <p>Where in the world is Kenya?</p>	<p><b>What are the five oceans that make up planet Earth?</b></p> <p><b>What are the seven continents that make up planet Earth?</b></p> <p>Where in the world is Kenya?</p>	<p><b>What is it like to live in rural Kenya?</b></p> <p>What is it like to live in urban Kenya?</p> <p>What are the similarities and differences between Kenya and the UK?</p>	<p><b>What is the continent of Europe like?</b></p> <p>What are the continents of North and South America like?</p> <p>What are the continents of Asia and Africa like?</p> <p>What are the continents of Oceania and Antarctica like?</p> <p><b>Why are some parts of the Earth hot and some parts cold?</b></p> <p><b>What is the climate like in Kenya?</b></p> <p><b>What is the landscape of Kenya like?</b></p>	<p><b>How can we find out why people come to Great Yarmouth?</b></p>	<p>How can we find out why people come to Great Yarmouth?</p>
<p><b>Year 3</b></p>	<p>What rivers are in the United Kingdom?</p> <p><b>What is a county and what counties make up the United Kingdom?</b></p>	<p>How can I find mountains and hills on maps?</p> <p><b>What rivers are in the United Kingdom?</b></p> <p><b>How is the rural land used in the United Kingdom?</b></p>	<p>How can I find mountains and hills on maps?</p> <p>What is a county and what counties make up the United Kingdom?</p>	<p><b>Where have people chosen to settle in the United Kingdom?</b></p> <p><b>How is Norfolk different to Lancashire?</b></p> <p><b>How is the rural land used in the United Kingdom?</b></p>	<p>What are hills and mountains?</p> <p>What are the features of a coast and how are they formed?</p> <p>What are the key features of a river?</p>	<p>What is coastal erosion and how can it be prevented?</p> <p><b>How does farming benefit East Anglia?</b></p>	<p>What is coastal erosion and how can it be prevented?</p> <p>How is Norfolk different to Lancashire?</p> <p>How does farming benefit East Anglia?</p>

## Geography Skills Concept Map

				How does farming benefit East Anglia?			
<b>Year 4</b>	<p><b>Which countries make up Europe?</b> Where Greece and what is the land like there? What are the Norfolk Broads?</p>	<p><b>Can I locate parts of the Norfolk Broads using an OS map?</b></p>	<p><b>Which countries make up Europe?</b> Is the time always the same in Europe?</p>	<p><b>What are the regions, cities and landmarks of Greece?</b> <b>What is it like to live in Athens?</b> What happens when a volcano erupts? What happens when an earthquake strikes? What impact does a volcanic eruption or an earthquake have?</p>	<p><b>What are some of the key physical features of Europe?</b> What are tectonic plates? How are volcanoes formed? What is an earthquake? How and why were the Norfolk Broads made?</p>	<p>What are some of the most significant man-made landmarks of <b>Europe</b>? What happens when a volcano erupts? What happens when an earthquake strikes? What impact does a volcanic eruption or an earthquake have? What is the environmental impact on the broads?</p>	<p><b>Is the time always the same in Europe?</b> What is it like to live in Athens? What happens when an earthquake strikes? <b>How does the local economy benefit from the Norfolk Broads?</b></p>
<b>Year 5</b>	<p>What are the different biomes of the world? <b>Where in the world is North America, and what countries does it include?</b></p>	<p>Does everywhere in the world have the same climate? What is the physical landscape across North America?</p>	<p><b>Does everywhere in the world have the same climate?</b> <b>What are the states of the USA and how do they vary?</b></p>	<p><b>What challenges to humans face living in each biome?</b> <b>How does California compare to other states?</b></p>	<p>How have the flora and fauna of different biomes adapted to life there? <b>What is the physical landscape across USA?</b></p>	<p><b>Do humans need to adapt to a biome, or can they adapt the biome instead?</b> What is green energy and why do we need it?</p>	<p><b>Do humans need to adapt to a biome, or can they adapt the biome instead?</b> How do windfarms effect our local area?</p>

## Geography Skills Concept Map

	<p>What are the states of the USA and how do they vary?</p> <p>How does California compare to other states?</p> <p>What is it like in New York and New York City?</p> <p>How do windfarms effect our local area?</p>	<p>What are the most significant man-made landmarks in USA?</p> <p>Where are windfarms located and why?</p>		<p>What is it like in New York and New York City?</p>		<p>How do windfarms effect our local area?</p> <p>What is solar farming and what are the benefits?</p> <p><b>Should a new solar farm/ wind farm be built in a local village?</b></p>	<p>Should a new solar farm/ wind farm be built in a local village?</p>
Year 6	<p><b>Where is South America and what are the key human and physical features?</b></p> <p>What are the features of a river, and where in the world are major rivers found?</p> <p>What can maps tell us?</p> <p>How can you locate places on a map?</p> <p>How do you read an OS map?</p>	<p>What is it like inside a tropical rainforest?</p> <p>How has the Amazon River shaped the land?</p> <p><b>Movement of boarders and people: how does migration effect the globe?</b></p> <p>What can maps tell us?</p> <p>How can you locate places on a map?</p> <p>How do you read an OS map?</p>	<p><b>Where is South America and what are the key human and physical features?</b></p> <p><b>How has the Amazon River shaped the land?</b></p> <p><b>How is our world changing?</b></p> <p>How to we distribute the world's natural resources?</p> <p>How does the world trade?</p> <p><b>Sustainability: how does this challenge effect the globe?</b></p> <p><b>Climate change: how does this challenge effect the globe?</b></p> <p><b>Movement of boarders and people: how does migration effect the globe?</b></p>	<p><b>What is happening to the Amazon rainforest?</b></p> <p><b>How are the Amazon rainforest and river used?</b></p> <p><b>How does the world trade?</b></p> <p><b>Movement of boarders and people: how does migration effect the globe?</b></p>	<p>What is it like inside a <b>tropical rainforest?</b></p> <p>Which animals call a tropical rainforest their home, and how are they adapted to suit their environment?</p> <p><b>What are the features of a river, and where in the world are major rivers found?</b></p>	<p>What is happening to the Amazon rainforest?</p> <p>How are the Amazon rainforest and river used?</p> <p><b>How is our world changing?</b></p> <p><b>How to we distribute the world's natural resources?</b></p> <p><b>How does the world trade?</b></p> <p><b>Sustainability: how does this challenge effect the globe?</b></p> <p><b>Climate change: how does this challenge effect the globe?</b></p>	<p><b>How are the Amazon rainforest and river used?</b></p> <p>How to we distribute the world's natural resources?</p> <p>Movement of boarders and people: how does migration effect the globe?</p> <p><b>What questions could we ask to find out more about our local area?</b></p> <p>Can you present your field work findings?</p>

## Geography Skills Concept Map

			What can maps tell us? How can you locate places on a map? How do you read an OS map?
