## **ADMISSIONS POLICY**

If you are moving into the area and are considering joining North Denes Primary School after the official school year has started, please contact Admissions to check on place availability. If there are spaces, school will contact you and arrange for a visit prior to starting.

If you are currently living locally and already have a school place, the admissions team only considers changes between schools at the start of each term.

Please read ***A parents' guide to admissions to schools in Norfolk*** [click here](#) before you make your application. This will ensure you follow the application process correctly, help to avoid delays and maximise your chances of getting your preferred school.

## **Admission to Reception**

Once the application round is complete NCC processes the applications. In April, NCC sends a school place offer letter / email to all applicant families. Schools receive notification of the school place offers made for their school.

When we know who will be joining us, we contact all families to welcome them to North Denes Primary School and explain more about our school and dates for all the transition activities.

To ensure a smooth positive transition into school, we hold a number of events for both children and parents.

### **Visits**

If your child is new to the school, their teacher will visit the early years setting they currently attend. If your child does not attend a setting, the teacher will attempt to visit them at home, where possible. These visits allow your child to meet their teacher in a familiar setting and for the teacher to begin to get to know the child.

### **New Parents' Evening Meeting**

We hold an evening meeting for parents in the summer term, where there is an opportunity to meet the teachers and support staff who will be working with your child and to answer any questions.

### **Transition visits**

We will arrange transition visits in the summer term. These are in the format of a stay and play session, where you and your child will be invited in to meet staff and see our reception environment.
